

## Maker Camp Philosophy

Each week campers will actively engage in creating, exploring, tasting, touching, building and designing with objects relating to each region. We will learn about artists, culture and food.

The possibilities of what each “maker” can make are endless. Every week includes gardening, art, music, water play, cooking, science, and imaginary play.

## Rave Reviews

Here is what STS Camp families had to say...

“AMAZING!!! Kids had so much fun! They Loved it!”

“Hands down – best camp experience ever (by camper Bryan) and his mommy and daddy couldn’t agree more! Counting down days till summer camp!”
