We are able to do so much with our senses!

Winter Session ❄ January 16 — March 6

Sense-Able Transition

14 months-2 years

Wednesdays 9:30-10:30 am

We engage all of our senses as we sing , dance, read stories, and make messy art! At the end of class, the children get to play outside while practicing the transition to preschool.

Sense-Able Baby

2 months-18 months

Wednesdays 11:00-11:45 am

This multi-sensory class is designed for babies and their special grown-up. Each class includes music and movement , story time, and messy edible play.

Our teacher, Rachel McCauley is a board certified music therapist and a licensed speech and language pathologist . She knows that sensory experiences are essential to a baby's brain development.
